

National Quality & Patient Safety Competency Framework

We want to hear from you!

Join our first virtual stakeholders information meeting to learn more about the project and share your ideas

Your participation will help us use a co-design approach that meets the needs of all involved. This competency framework will aim to best prepare staff, students and patient partners to identify the competencies required to support them in delivering quality safe care at all levels in the Irish healthcare system.

20th March 2023
10.30am - 12pm

or

29th March 2023
2pm - 3.30pm
