WALK & TALK IMPROVEMENT

Sepsis can happen to anyone

Two new podcast episodes on **sepsis**

Could it be sepsis?

- What do you need to know about sepsis as a patient, carer or parent? How can you reduce your risk of getting sepsis?

Reducing and managing sepsis - what do you need to know as a healthcare professional?

- What are the latest resources and tools to help you identify or diagnose the symptoms of sepsis.
- What you can do to improve patient outcomes?

*Click text to access.

Join us:

**15 May,
4pm**

NEXT TIME!
